ODETDP • CPD • UPDATES • CPD FOR ODETD

WHO SHOULD ATTEND?

This CPD Webinar is for those involved in education, training and development. This masterclass is not intended to recognize the ability to explain OBET and the NQF to learners. Rather, it is intended to provide continuous professional development for practitioners who need to update and remain relevant within the context of the changing Learning and Development landscape.

WHY SHOULD I ATTEND AND WHAT WILL BE COVERED?

People credited with these CPD points are able to:

- Explain the QCTO approach to education and training;
- Describe the sub frameworks of the National Qualifications Framework;
- Describe and explain QCTO standards;
- Describe and explain QCTO Curricula; and
- Develop a broad plan for implementing the QCTO best practices within an organisation.

PRESENTED BY PETA HORN

Peta is an ODETD practitioner with over 26 years' experience, she has chaired and managed Learning and Development committees and Academies of learning – liaising with SETAs and the QCTO. Peta enjoys connecting knowledge with people and has a seasoned talent in ensuring compliance, policies and processes are well understood and practicable for all practitioners. Peta is a phenomenal facilitator, coach and speaker. You will be engaged from the start to the end of the webinar.
