FACILITATE LEARNING • CPD • UPDATES • CPD FOR FACILITATORS

WHO SHOULD ATTEND?

This CPD Webinar is intended for a range of people, including managers, supervisors, mentors, operators who may not be Education, Training and Development (ETD) specialists, but who are able to help people who have been on training to move from a generic skill to a particular application within the workplace.

WHAT WILL BE COVERED?

People credited with these CPD points are capable of:

- Orientating a learner into the application of their skills within a workplace context.
- Guiding learners towards competent application of their skills within a workplace context.
- Assessing learner performance in the workplace context.
- Reviewing facilitation processes in the workplace context.

PRESENTED BY PETA HORN

Peta is an ODET D practitioner with over 26 years' experience and is an accomplished assessor. Peta enjoys connecting knowledge with people and has a seasoned talent in ensuring compliance, policies and processes are well understood and practicable for all practitioners. Peta is a phenomenal facilitator, coach and speaker. You will be engaged from the start to the end of the webinar.
