THE HORNBEE VALUE CHAIN

THE LEARNING VALUE CHAIN

1

SNEEDS ANALYSIS
- Review & Benchmark current systems
- Detailed Gap Analysis Report
- Continuous client engagement

DESIGN MATRIX
Utilising the results of the needs analysis - create outcomes into a design matrix which details the percentage of new design, re-engineering and formatting required per module of learning including the resource requirements

2

3

CURRICULUM DESIGN
- Academy strategy
- Integrated Learning System Development
- QMS Design and Implementation

RPL SYSTEM INTEGRATION
- Design and Integrate an RPL Strategy

4

5

MATERIAL DESIGN, DEVELOPMENT & REVIEW

IMPLEMENTATION & TRAIN THE TRAINER

6

7

CLOSE OUT AND EVALUATION
